

### **Sanctuary Restoration Update. October 17, 2021**

Work is on track at the Canning Studios. Installation of the decorative ceiling, plaster medallion, and north wall décor will begin November 8 and will be completed the week of December 6. Scaffolding will be removed after a final inspection.

Fundraising continues: \$150,000 is needed by November 30 in order to honor the payment agreement with Canning. If you have not yet contributed to the Sanctuary Fund repainting effort and plan to do so, please send in your donation as soon as possible. Many thanks to those who have given so generously. The fund currently stands at \$138,462.45.

Quote of the month: “The original grisaille painting and subsequent trompe l’oeil layers are tangible vestiges of the building’s history.”
